Vantage Lighting
181 Narragansett Park Drive
East Providence, RI 02916

To whom it may concern,

Vantage Lighting's Capela® Series, F-class Gen V, F-class Commercial, VED fixtures, vHealth® fixtures; its C-Class round and adjustable fixtures; its high lumen fixtures; and its Decoline® and LED cylinders and LED low-bays all meet current "Buy American Act" requirements (41 U.S.C. 8301.:8305). All of these Vantage fixtures are 'US made' consistent with the requirements of these programs. Please note any specific 'Made in America' requirements on orders. If you have any questions, please contact Vantage Lighting.

Sincerely,

A handwritten signature in cursive script that reads 'James Coleman'.

James Coleman
Vice President
